## Inkblot Petite Sirah

2018 | Lodi Appellation

### TASTING NOTES

“Petite Sirah doesn’t get much richer than this wine, which was aged in French oak for 22 months. Black pepper and maple aromas lead to immense blueberry and blackberry flavors that layer over dark chocolate for a mouthfilling effect. Its velvety, palate-gripping tannins are just the right antidote to its opulent ripeness. Best through 2030.” *Cellar Selection*

### HISTORY

Known for giving a platform to grapes that are usually under appreciated and used as “blending varetals,” the newest addition to our Inkblot family is none other than Petite Sirah. A favorite among our winemakers, Petite Sirah can be found in many of our wines for its concentration and color, but as a stand alone varietal this grape is seriously impressive! Give it a try and we think you’ll agree that Petite Sirah was a natural fit for this brand that celebrates bold, inky and teeth-staining wines.
